

Sunlight of the spirit conference **CANCELLED** Due to Coronavirus

It is with heavy hearts that the Sunlight of the Sprit Conference Committee regrets to inform you that this year's conference, which had been scheduled for August 2020 is now cancelled. After much discussion, we concluded that in the interest of the health and comfort of our attendees, we cannot safely move forward. It is impossible to predict what restrictions and/or requirements will be in place for large gatherings in August and while our hope is that the worst of the pandemic will be behind us, we just don't know. If you have already registered for the 2020 Conference and would like a refund, please contact Rick B. You may also choose to carry your paid registration over to 2021 in which case you do not need to take any action. We will hold your registration for next year. Please cancel hotel reservations directly with the Wyndham Gardens or through whatever hotel provider site you used.

Our 2021 conference dates will be Aug12-14. When our speaker rooster is confirmed, our website will be updated, so stay tuned. In the meantime, stay healthy and safe. We will miss seeing you all but hope to see you again as we trudge the road to happy destiny together.
